

Snakes of Hays County

Have a program planned exclusively for

GIRL SCOUTS!

**Juniors
and older!**

**Highpointe
Amenity Center**

**11/5 @
2:00 PM**

Come learn how to identify venomous snakes from non-venomous ones, and the important role these slithery friends have in our world!

Education is crucial to overcoming fears, so consider this therapy for anyone with a snake phobia! We will meet live local snakes!

This is a FREE program, but tips are greatly appreciated!

Bring something to sit on and some water, plus sun protection and closed-toed shoes.
