**It's  
POSSIBLE.**

**Leadership. Teamwork.  
Respect. Self-confidence.**

Through our hands-on fire and rescue camp, you'll join the ranks of those who stand in the line of fire, ensuring public safety for our communities.

Camp Fury is a collaborative program providing hands-on development of leadership skills, teamwork, respect, and self-confidence. At Camp Fury, girls will train alongside firefighters from the Austin Fire Department to learn fire and rescue skills.

If you're a girl between the ages of 14-18 and want to find out just how powerful you are—both physically and mentally—then Camp Fury is for you! During this five-day camp, you will meet the women who are breaking down barriers and stereotypes in these male-dominated career fields.
