

Brownie and Junior Journey in a day!

Brownie Quest Journey

Junior Get Moving Journey

Hey Brownie Girl Scouts!

The Brownie Quest Journey will have second and third graders traveling along two colorful trails, one they can enjoy on their own and one they explore with their Girl Scout group. Along the Quest, Girl Scout Brownies will meet three new friends and a bright shining elf - in a brand-new Brownie story meant to inspire their own Take Action projects.

Hey Junior Girl Scouts!

In the Get Moving Journey, fourth and fifth graders become leaders who energize, investigate, and innovate as they explore their own energy, the energy of their places and spaces, and the energy of getting from here to there. Along the way, Dez, the fashionista spider, learns right along with the Juniors. The girls will also meet energizing artists, cooks, engineers, and architects as they "Get Moving" to get others moving, too.

We will help Brownies and Juniors start the planning process of the take action project but it is up to the Girl Scout or troop to complete it. Once the take action is completed, girls can place their Journey badge on their vest.
