

## Engineering Journey: Think Like an Engineer Journey in a Day

**Daisy**

**Brownie**

**Junior**

Hey **Daisy**, **Brownie**, and **Junior** Girl Scouts!

All Daisy, Brownie, and Juniors will complete the **NEW Think Like an Engineer Journey** minus the take action project. Girl Scouts will complete that on their own or with their troop.

Girls will discover how to think like an engineer by participating in hands-on design challenges.

We will help start the planning process of the take action project but it is up to the Girl Scout or troop to complete it. Once the take action is completed, girls can place their Journey badge on their vest.
