

Donate to FOGS - Friends Of Girl Scouting!
Go to gsctx.org/donate, enter your troop number or 670 for Lake Hills Service Unit.
Thank You!

Sustaining a Legacy of Leadership

As family, friends, and alumnae, you know the benefits of Girl Scouting first hand. You've seen how Girl Scouts can change entire generations of girls. Consider this

We need your help to continue this legacy. Girl Scouts of Central Texas invests an average of \$350 in each girl who participates throughout the year. Your FOGS donation will help keep the annual membership registration at just \$25, and it will help camp and program fees stay low so that more girls can participate.

Consider what Girl Scouts means to you, your family, and your community. Sustain this legacy of leadership by donating to FOGS today.

93% of female astronauts are former Girl Scouts

80% of American female business owners and senior executives are former Girl Scouts

70% of women in the U.S. House of Representatives and the Senate are former Girl Scouts

What your generosity can do

\$25

Allows one girl to join the Girl Scouts of Central Texas

\$30

Provides one girl's enrollment in Girl Scouts, a Journey book, and a membership pin

\$150

Supplies a Robotics program scholarship for one girl. Robotics girls learn from professional engineers, build robots of their own design, and learn to use sophisticated robotics software and tools

\$250

Provides STEM Fest scholarships for 10 girls. STEM Fest sparks girls' interest in STEM activities (Science, Technology, Engineering and Math)

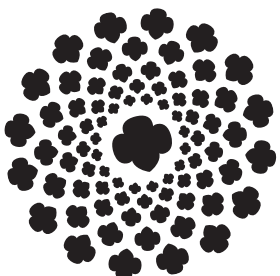

Together we are changing the world

\$50

Supplies one girl with a uniform and a full year of Journey books to help her transition to a leader in the community and at school

\$100

Allows one girl to participate on the High Adventure Team. High Adventure Team members often participate in rock climbing, canoeing, and other outdoor activities
