

Brownie WOW Journey in a Day

This journey follows friends Alejandra, Campbell, Jamilla, and Brownie Elf as they enjoy some amazing wonders of water. Girls will learn about the endless water cycle and have a good time making their own rainbows as they explore our precious resource of water. They'll meet inspiring women working for water, learn Girl Scout history, and, as a team, come to understand that WOW also stands for Ways of Working. They reach out to their community as they advocate for other people to get involved in protecting water, too!

We will help Brownies start the planning process of the take action project, but it is up to the Girl Scout or troop to complete it. Once the take action is completed, girls can place their Journey badge on their vest.
