

Junior Agent of Change

Hey Junior Girl Scouts!

Power! In this journey, for fourth-and fifth graders, there's a whole spiral of it waiting for Girl Scout Juniors. This powerful journey is filled with ceremonies and circles, real-life heroines, and special new characters, including the fashion-savvy spider named Dez. Along the way, girls learn how their own power combines into team power and then moves out to become community power.

We will help start the planning process of the take action project but it is up to the Girl Scout or troop to complete it. Once the take action is completed, girls can place their Journey badge on their vest.
