## Super Troop (Daisy/Brownie/Junior) – FAQ

### ***What does a troop need to do to earn the Super Service Unit award?***

To be awarded the Super Troop and earn an extra 5-cents per box of cookies sold in the troop, a troop must participate in the Cookie Program in any capacity (i.e. sell at least one box), must turn in Troop Financials using the VTK Finance Tab, and additionally complete at least 5 of the remaining requirements.

### ***How were the overall requirements determined for Super Troop?***

Using data from various sources, including feedback from the Girl Scouts Voices Count survey of girls, caregivers, and adult volunteers, GSCTX chose the requirements that would potentially have the biggest impact in ensuring a successful Girl Scout year for a troop. Requirements this year were also adjusted to allow for virtual or in-person settings, as guidelines allow.

### ***What do troops get for being a Super Troop?***

The Super Troop award will allow troops to gain an additional 5-cent bonus per box of cookies sold by the troop. Super Troop adults and girls can also purchase a “Super Troop” pin at the GSCTX shop.

### ***Our troop has only completed some of the requirements, can we still be designated a Super Troop?***

Troops will not earn a partial bonus for partially fulfilling requirements. The first two award criteria are required, then troops must complete 5 of the remaining requirements.

### ***How does a troop apply for the Super Troop designation?***

A troop leader fills out the Super Award HTML form online at [www.gsctx.org/super](http://www.gsctx.org/super). The form will be available by March 1, 2021.

### ***What is the deadline to apply for the Super Troop award?***

The deadline to complete and submit the application for the award is May 15, 2021, (15 days after Troop Financials are due). Troops will not receive the Super Troop cookie bonus money if the award application form is late. Troops will be notified in June 2021 if they earned Super Troop.

### ***Will someone be checking to see if our troop has completed the requirements for Super Troop?***

Requirements will be verified by staff to receive the additional 5-cent cookie bonus per box of cookies sold by the troop. The GSCTX shop will sell Super Troop pins based on the honor system.

### ***How do the pins work for Super Troop?***

The Super Troop pin consists of the original All-Star Trooper gold Texas pin. It has an embroidered star backing, with a different colored embroidered star color for each program grade level. Pins can be worn with pride by girls on the front of the uniform. Adults can wear them on their “green-necks,” lanyards, etc.
